Inspector General's Recommendation Number 17, Page 57

Recommended DCI Action: Approve as modified.

Inspector General's Statement

Recommended that:

The DD/P require the IOD to coordinate the proposed activities of its affiliates in detail with the area divisions concerned, explain them fully to the appropriate chief of station, and guide or restrain affiliates when, in the opinion of area divisions, such guidance or restraint is advisable.

DD/P Comment

Concur with modification. This recommendation creates the impression that the problems in this area are greater than they are in fact. The problems in this area were discussed at length during the WH Chiefs of Station Conference [REDACTED] and it is believed that both divisions, including field representatives are now fully aware of their mutual responsibilities.
